

Help shape CoppaFeel!'s next chapter

CoppaFeel! has never stood still.

From a bold idea around a kitchen table to one of the UK's most recognised health charities, we have continued to challenge convention, reach young people with a life saving message and build a community that believes breast cancer does not need to be diagnosed late.

We are now entering an exciting new chapter.

After a period of exceptional growth, CoppaFeel! has the opportunity to broaden our reach, deepen our impact and invest in the future. Our challenge now is not simply to become bigger but become more strategic, resilient and sustainable, while protecting the authenticity, creativity and entrepreneurial spirit that makes CoppaFeel! distinctive.

That is why we are looking for a Fundraising Trustee to join our Board.

This is an opportunity to help shape what comes next for CoppaFeel!, bringing your experience, perspective and constructive challenge to a Board that is ambitious about the difference we can make.

About CoppaFeel!

CoppaFeel! exists to educate and remind every young person in the UK that checking their chest isn't only fun, it could save their life.

We are the first breast cancer charity in the UK to create awareness amongst young people, with the aim of instilling a new healthy habit that could one day save their life. We are a small team which, collectively, has one almighty big voice.

We were founded out of a need to right wrongs, and when we hear of more people diagnosed late, or young people dying from this disease, we know there isn't a more powerful reminder to get up and out of bed every morning.

CoppaFeel! is about more than discovering a cancer diagnosis. It's about empowering ourselves to be proactive about our own health and body, as well as our outlook on life. It's about knowing your body; knowing that if you do find something, you know what to do and if found early, you have many options.

Put simply, breast cancer does not need to be detected late, and as long as we are here and continue to receive the support of our amazing community, we will do all we can do make sure this doesn't continue to happen.

What we are looking for

You'll bring a strong track record in the following areas:

- * Growing high value fundraising — philanthropy, major giving or corporate partnerships
- * Building long term strategic relationships with major partners or supporters
- * Unlocking commercial or transformational income opportunities
- * Diversifying income portfolios and reducing reliance on any single stream
- * Advising Boards or Executive Teams on fundraising strategy, investment and risk

You don't need a career built exclusively in philanthropy or corporate partnerships. What matters is evidence of strategic relationship building, senior influencing, commercial judgement and the ability to balance ambition with sustainable growth.

Experience working with or reaching young people is a bonus.

As a person, you're likely someone who:

- * Thinks strategically, not operationally, and asks the questions others miss
- * Is comfortable interrogating data, evidence and return on investment
- * Challenges with respect, humility and good judgement
- * Is genuinely energised by CoppaFeel!'s mission and the young people it serves

What it's like around the Board table

We want candidates to know what being a CoppaFeel! Trustee actually feels like.

Our Board is lively, collaborative, energetic, curious, challenging and enjoyable.

There is healthy debate and everyone has a voice. We want Trustees who will contribute their expertise, listen to different perspectives and be willing to challenge thinking when they believe something could be better. The Board has a strong relationship with the Executive Team, with openness and trust at its heart. Trustees are expected to provide strategic support and constructive challenge, while giving the Executive Team the space to lead and deliver.

We are also determined to grow without losing what makes CoppaFeel! special — our personality, authenticity, entrepreneurial spirit and the legacy of our founder Kris.

The Board's role

The Board of Trustees is collectively responsible for the governance, oversight and strategic leadership of CoppaFeel! and for ensuring that we fulfil our charitable objectives.

Trustees will:

- * Contribute to setting and evaluating CoppaFeel!'s strategy and objectives.
- * Ensure the charity operates within its governing document and the relevant legal and regulatory framework.
- * Provide effective oversight of financial management, risk and organisational performance.
- * Ensure CoppaFeel! remains financially sustainable, well run and focused on its charitable objectives.
- * Monitor and support the performance of the Chief Executive and Senior Management Team.
- * Bring specialist knowledge and experience to Board discussions.
- * Provide constructive challenge and support to the Chair, Board and Executive Team.
- * Act in the best interests of CoppaFeel! and uphold their legal and fiduciary responsibilities.

Trustees should be willing to prepare properly for meetings and devote sufficient time and energy to the role.

Time commitment

Trustees meet quarterly. Meetings are usually around 2.5 hours and are currently held between 10am and 12.30pm.

There will also be some additional time commitment for meeting preparation, committee involvement and occasional advice or support between meetings.

Trustees are unremunerated, although reasonable travel expenses can be claimed.

Trustees serve an initial three-year term and may be eligible for reappointment for further terms, subject to the charity's governing arrangements.

This is a chance to join a charity at a genuinely pivotal moment.

We have already achieved extraordinary things. Now we want to think bigger about what comes next — broadening our reach, strengthening our sustainability, investing for greater impact and ensuring that more young people have the knowledge and confidence to be proactive about their health

We are looking for Trustees who want to do more than sit around a Board table.

We want people who will bring curiosity, challenge and expertise. People who will see opportunities others might miss. People who can help us navigate growth and change without losing the magic that makes CoppaFeel! CoppaFeel!.

If that sounds like you we would love to hear from you. To arrange a conversation and to explore the opportunity further please reach out to eddie@charitybegins.org

Application process

Please send a cover letter and CV to eddie@charitybegins.org

Application Timeline:

- * Friday 2nd October 5pm - Close
- * Wednesday 7th October - Candidates informed of outcome
- * Monday 12th October - Interviews
- * Monday 19th October - Candidates informed of outcome

Equality , diversity and inclusivity statement

At CoppaFeel! we support a diverse range of communities and we understand that diversity within our team is central and crucial to meeting the needs of the young people we exist to serve.

We strongly encourage applications from Black, and people of colour, LGBTQIA+ candidates, candidates with disabilities, from men, and from those with a lived experience of cancer because we would like to increase the representation of these groups within the charity.

We promote equality, diversity and inclusion in our workplace and make recruitment decisions by matching the charity's needs with the skills and experience of candidates, irrespective of age, disability (including hidden disabilities), gender, gender identity or gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, or sexual orientation. We recognise the value in encouraging a diverse range of perspectives, skills, experience and knowledge at the charity.

While the successful candidate will be selected purely on merit, in the event of a tie between two candidates with equal suitability, we may select a candidate with lived experience of the issues we are seeking to address through our work.
